

“You Have a Choice”

Course Description: Pin Point Intelligent Maps

Course Objective:

Pin Point simplifies the mapping process by incorporating Aerial Photography, MLS Data and Tax information. Now all three functions can be accomplished from one mapping program. Also enjoy Clearer Maps, Broader Search Capabilities, Easier Navigation, Map Drawing Tools and so much more. This Pin Point Overview covers ***all*** the functionality of Tempo's new Pin Point 2.2 Intelligent maps! In this class, the agents are taught how to customize searches and reports for personalized use of the Tempo system.

Presenter:

This class is presented by Cardinal Pacific Escrow, taught by SoCal MLS.

Class Location:

6621 E. Pacific Coast Highway, Suite 105
Long Beach, CA 90803
(building located in the back of the parking lot)
